

Department of Kindergarten

Contributes to building a sound educational foundation for children in early childhood and providing society with specialized teachers capable of developing their abilities and skills.

Department Vision:

Leadership in preparing distinguished specialists in early childhood education and actively contributing to the development of child education and care programs locally and regionally.

Department Mission:

Commitment to preparing qualified educators who possess the passion and knowledge to nurture a conscious and creative generation, and striving to provide a stimulating and safe learning environment that fosters a happy and exploratory early childhood, nurturing children's personalities and their bright future.

Department Objectives:

- Preparing kindergarten educators who possess the passion, knowledge, and skills necessary to nurture a conscious and creative generation.
- Striving to contribute effectively to establishing a sound educational foundation for children in early childhood, reflecting its fundamental role in building the future.
- Aspiring to play a leading role in developing child education and care programs at the local and regional levels.
- Committing to creating a safe and stimulating learning environment that supports the child's comprehensive development and future aspirations.
- Achieving leadership in preparing distinguished specialists in the field of early childhood education.

Number of Courses Required to Complete the Specialization:

To successfully complete the specialization requirements and obtain the academic degree in the Department of Kindergarten, students must fulfill a specific number of courses with their approved units and hours. The following table illustrates this:

Number of Courses	Number of Units	Number of Hours
51	135	140

List of Accredited Courses within the Kindergarten Program

First Year:

Course Code	First Semester Courses	Units	Hours	Course Code	Second Semester Courses	Units	Hours
